ID	Name of product	Picture
IS.337	Pieces Handmade Decorative Rose from Tree Bark Chubby Model Red	 A photograph showing five handmade decorative roses. Each rose is a vibrant red color and is attached to a long, thin, light brown wooden stem. The roses are arranged in a fan-like pattern, with the stems converging towards the top right and the heads of the roses pointing towards the bottom left.
IS.338	Salex Dry Branch (5 Pieces; 150 cm)	 A photograph of a single, long, thin, light brown branch. The branch is decorated with several small, round, golden beads or knots spaced along its length. The branch is shown against a dark blue background, and its base is tied together with a piece of light-colored string.
IS.339	Dry Ribbon Tassel Bunch 130 cm Natural	 A photograph of a single, long, thin, light yellow tassel. The tassel is made of many fine, parallel strands of natural material, possibly dried ribbon or grass, and is shown against a plain white background.
